February 2022

THE PREZ SEZ

Hello All,

Hoping this finds everyone well and Covid free.

This month we will be having an in person meeting at the Diamond E Ranch. Regular time with lots of fun.

So...as we are moving forward in 2022, I'm looking forward to and anticipating Corvair regular activities throughout the year. As we continue getting together like we have throughout the past few years; I'm reminded how important it is to plan future events where we can get together as a Corvair community and family.

This past Saturday Pat, Bob, Rex, Joe and myself all went to Kansas for Cold Tuna at Terry Kalp's place. We all were welcomed by the Mid-Continent club. They had multiple Corvair projects going on during the day. They shared lunch and desserts with us; some really good eats. Delia and Janet sent brownies and cookies which we all had with lunch (many thx). Wow they sure were good! Everyone just spent time visiting and getting to know new faces. I had the opportunity to meet 5 members of the MCCA club that I'd not met before. They shared about their projects and cars and the stories with them. I enjoyed every moment, what fun. Getting to spend time with everyone at the Cold tuna was a great time.

The drive up and the drive back was a great time visiting together, (thx Pat for driving). Lastly a bonus to the day was the highlight as Rex showed us his home and shop and red Corvair. A great time.

So, I look forward to more days and times where our club can fellowship and enjoy the Corvair family friendship. As we plan more outings mark your calendars because we want you all to be involved.

Until next time...

Let's drive those Corvairs every chance we can.

Show them off.
