THE PREZ SEZ

Hello COCA Members,

I wanted to say hello and I'm hoping you've been able to beat the heat this summer.

As time is cruising on, we are over half way through the 2023 year and now we are 5 weeks away from the 2023 Great Plains Roundup! Guthrie Oklahoma is looking forward to our Corvair community visit. The Roundup will be a great time for reconnecting with friends and to explore Guthrie. Over the years, every Roundup that Ann and I have attended has always been a really great time.

This year our Roundup planning team has been working non-stop every week on the details for this weekend. They have been working diligently to accomplish the various steps for the weekend events. The activities and events should be an easy schedule with time for fun.

Our ladies are making plans for a great hospitality room with events and snacks. The banquet team has one of the best caterers in the area cooking for us. There are many rave reviews about his meals. So over all it looks to be a very nice weekend. When you are working on your Corvair getting it ready for the weekend; take some time to freshen up your fuel tank with fresh petro and alway check the air pressure in your tires before your trip to Guthrie!

Wishing you safe travels on your drive,

James

Hello,

We are the Central Oklahoma Corvair Association. This year we are excited to be hosting the annual Great Plains Corvair Roundup in Guthrie, Ok September 29 to October 1, 2023. The Roundup is a gathering of Chevrolet Corvair lovers from five different Corvair Clubs in Arkansas, Missouri, Kansas and Oklahoma. In addition to the five clubs there will be Corvair owners that will travel from other surrounding states and clubs.

Our theme this year is "American Made". We are remembering the great Chevrolet Corvairs from 1960 to 1969 and are expecting a great showing of cars, many in their restored glory.

In addition, we would love to invite you to the Corvair car show on Saturday morning, September 30 from 9:00 to 12:00. The car show will be held at Mineral Wells Park in Guthrie, Ok.

Cordially,

James Ergenbright
