## THE PREZ SEZ

*Hello COCA Members,*

*Hoping you are enjoying this beautiful fall weather. This has turned out to be a busy, busy year. Much work has been going on across our club. As I've thought about 2023 and where we were a year ago, many Corvaír projects have been or are still in progress. It has been nice to be a part of some of these projects and see the progress of others in our club. Hearing about and seeing your progress is refreshing, knowing your cars will be back on the road again soon. Now in October we are two months from 2024. A new year is upon us with much to still do. We will have new leadership in our club starting in January 2024. My time as president will be ending and a new president will take over. That person will need your support as they take COCA to a new place in our history. Are you that person? Consider holding an office or filling an open seat on the board. YOU are needed. As you all know, this year was our year to host the 2023 Great Plains Roundup. What a year of whirlwind excitement and work we had. The Roundup was a huge success and would not have happened without the efforts of our members. You, (COCA) members were the key to this Roundup success. You made the difference. Thank you for being a part and for your support!*

*So for now enjoy your cars and drive them during this fall weather season before winter sets in.*

*Wishing you safe travels on your drive,*

*James*
