

Central Oklahoma Corvair Association

THE PREZ SEZ

July, 2017

Hello Every One,

Wanted to let you know that Taos New Mexico is a great place to begin the month of June 2017. Colleen and Richard, Cheryl and David, and Ann and I spent 3 days at the 33rd Annual Tri-State with the New Mexico/Colorado clubs. There were 47 Corvairs and Club representatives from Oklahoma (Tulsa and OKC), Wichita, Arizona, California, Washington and a few others. The Long Distance award went to some of our Green Country Corvair Club friends. We sure enjoyed visiting with everyone.

The CORSA National Convention is coming up soon, end of June. There's still time to get your registration in. Last year was a very enjoyable time, getting to see over 150 Corvairs in one location. Make plans to attend this year, it is closer than it's been to us and an easy drive to see everyone. Several club members will be driving to Independence Missouri for a few days of fun and activities so you don't have to drive alone. Let's have a good showing from Central Oklahoma Corvair Association, taking our cars to show off.

Our 2017 Great Plains Roundup is coming together and many of our club members are fully engaged. I am so proud of all of you.

So for now find some curvy roads and keep it between the lines. Oh by the way, we definitely found curvy roads on the way to Taos. What fun! Drive safe, be safe!

May COCA Meeting Minutes

The May membership meeting was held on May 11, 2017 at the Swadleys Bar-B-Que meeting room. The meeting was opened by the President James Ergenbright and without the ceremonial brake drum. James first welcomed our guests. David's Brother Dennis from Kansas City and Terry Kalp and Ned from the Wichita club were also in attendance. Next up James announced he had been in contact with our own Randy Dekker that day. Randy relayed that he had been diagnosed with an aggressive lymphoma. He began strong chemo treatment this week. Eldon led the group in a prayer for the Dekkers. We wish Randy and Gayle our best wishes and our prayers for a speedy and complete recovery.

Old Business- No old business was discussed. Liz Capron made a motion to accept the minutes and the motion was seconded by Pat Silver. The motion was passed.

Treasurer's report- Was given by Ken Drye. A motion was made by Liz Capron to accept the report and the motion was seconded by Pat Silver. The motion was passed by the membership.

New Business-

James acknowledged Loren Capron's 75th Birthday. A card was passed around and signed wishing him a Happy Birthday and he received a gift as well. A birthday cake was in attendance without any candles. The local fire ordinances prohibit the lighting of that many candles in a small enclosure. Something about an open flame.

The May 20th trip to Stillwater with the Tulsa club is still on. The plan is for anyone wanting to drive and caravan up there that we will meet at 9:30 AM at Pops on Route 66. The plan is to be at Eskimo Joe's by about 10:45AM (of the same day). Joe's will have a section of the parking lot cordoned off for the clubs. After lunch there will be an opportunity to do Transformer pictures and or a trip through one of the local museums.

The Taos trip is the first weekend of June and again people wanting to caravan can meet at the Petro at 9:00AM on Thursday. Most feel like to enjoy the trip they should allow 2 days travel time each way.

The Little Rock trip was labelled a success and everyone that attended commented on how friendly everyone there was. Loren said that their hospitality was over and above. Our Roundup was discussed and promoted.

Members attending HOT said that once again it was a very enjoyable trip and other than David C's trailer melt down the trip came off without a hitch. Again we were able to promote our Roundup and hopefully we have a few Texans coming to the party. Anyone who hasn't been to one of these, Colleen says that you need to go!!

James announced that the monthly Board meeting will be May 22nd at his residence.

Upcoming car shows were discussed. On June 10th the Wes-Ten show will take place. They could always use more entries and volunteers to help out. Jim Gailey said his church would be having a car show on June 17th. All makes of cars and trucks are welcome. Also that same weekend will be the annual Juna Tuna in Wichita, Kansas. Terry Kalp invited all who wanted to attend to make the trip up to see them. Then in July we are scheduled to participate in the Bethany Fourth of July parade.

Bob Welch showed the progress he has made with the new member welcome packet. A lot of thought and work has been put into this and although there is still some work to be done, it looks like a very nice package will be forth coming.

Round Up- Bill announced that so far there were 23 registrations. 50 banquet tickets have been sold and the first of the river boat cruises has also been filled. After July 15th he will go to the waiting list to fill the remaining boat if there are any spaces still available.

The winners were named for the free hotel suite. They are DQ and Joan Perna from Mountain Home, Arkansas. They have been notified by Bill and we look forward to seeing them in September.

It was announced that "Raffie" from down Wilburton way would be delighted to attend our function. We look forward to seeing him as well.

Jim Gailey showed what the window stickers will look like. Pretty cool. He also modeled a polo shirt as an example of what he is able to obtain from his vendor. He also had several hats with both the Roundup logo and the club logo. He will be available to take your orders. No definitive pricing yet, but he feels confident that the hats should not exceed \$20.00 and the polos will be no more than \$30.00. Again there are a multitude of designs and colors available from which to choose.

David C. again encouraged the membership to start collecting bottled waters and soft drinks for the Round up. He also said that he knows not everyone can go to a parts house and get free give aways, so he will pass the bucket at each meeting and let the members who want to donate to the fund to do so. Then that money will be used to purchase nice gifts for our visitors.

Door prize tickets were sold and the gifts handed out. James was the only driver of a Corvair and nabbed that gift as well.

The cake was cut and passed around and the meeting was then adjourned.
