THE PREZ SEZ

Hello to all of our Corvair lovers. Our May meeting and Hot dog cookout was great, many thanks to all who made it happen. We all practiced social spacing and the wearing of masks when it was prudent. The weather was "top notch" and I hope we get the same for our June meeting, we will try and hold it outside again so be sure to bring your chairs, mask, and hat.

There just isn't much going on as far as classic car events. We did schedule a road trip to meet up with the Green Country Corvair Club last weekend, but the Weatherman scared us off. He forecasted storms to arrive in Stillwater about the same time as we would arrive so I cancelled the cruise. The weatherman was wrong, the weather was very nice and it would have been a fun cruise. I guess we win some and we lose some, we will try again on another date.

There is still plenty of "stuff" going on at Ken's CC Ranch. Currently Ken's 63 Spyder is on a rack waiting to paint the dash and floorboard, then install sound deadener. David Main Has a 65 Convertible on the other rack to reseal the tranny pan and fix a fuel leak. He is also rebuilding his carburetors. There is always plenty to learn and do a Ken's on Wednesday and Sunday mornings, bring your Corvair or just show up.

COCA Meeting Minutes February/March/April 2020

The May meeting of the Central Oklahoma Corvair Association was held on May 23, 2020. President David Castiaux opened the meeting at 12:00 noon. He welcomed club members back from the Covid-19 hiatus. There were no guests. Social distancing was practiced.

Old Business- The minutes for March/April were reviewed. Pat Silver made a motion to accept the minutes as given. Colleen Law seconded the motion. The motion was voted on and passed. David has paid our dues to CORSA for the year.

Treasurer's Report- Ken Drye gave his report on our club finances. He also said there were still a few members that had not paid for this year's dues. If you haven't already please see that your membership is paid up. Larry Duvall made a motion to accept the report. The motion was seconded by John Sargent. The motion was passed by the membership.

New Business- The committee formed to look into locations for our roundup is still gathering information. Anyone with any ideas is encouraged to submit them to David. All options are still on the table. This year's roundup will be hosted by the Arkansas club and information for that show is on their website. As of this time the show will still be held and unless Covid-19 changes things it will be held at the normal time. Check their website for the latest information.

Juna Tuna will be held on June 13, 2020 in Wichita, Kansas at Master Terry Kalp's shop. As of this writing it was unknown if anyone from the club planned on attending so if you want to attend you might call around to see if anyone else might want to go with you.

Member Francis Tanner is offering up his vast collection of Corvairs and parts. If you are interested contact David Castiaux and he can fix you up with a contact name and number. Pat Silver has volunteered to take photos of the items but has not heard from the family about making that happen.

David again thanked Colleen Law for another excellent edition of our newsletter. As always it was top notch.

This month's meeting tech tip was given by our own Bob Welch. Bob brought many different tools, most of which he fabricated himself over the many years to do certain odd functions on our classic cars. He had quite a collection of tools there for everyone to see. Great job Robert.

Door prize tickets were sold and the prizes distributed. Pat Silver had the winning ticket given to those who drove their Corvair to the meeting.

Liz Capron and Mia made a motion to adjourn the meeting. The motion was seconded by John Sargent. The motion passed and we were adjourned.

Coffee at Kens PATS

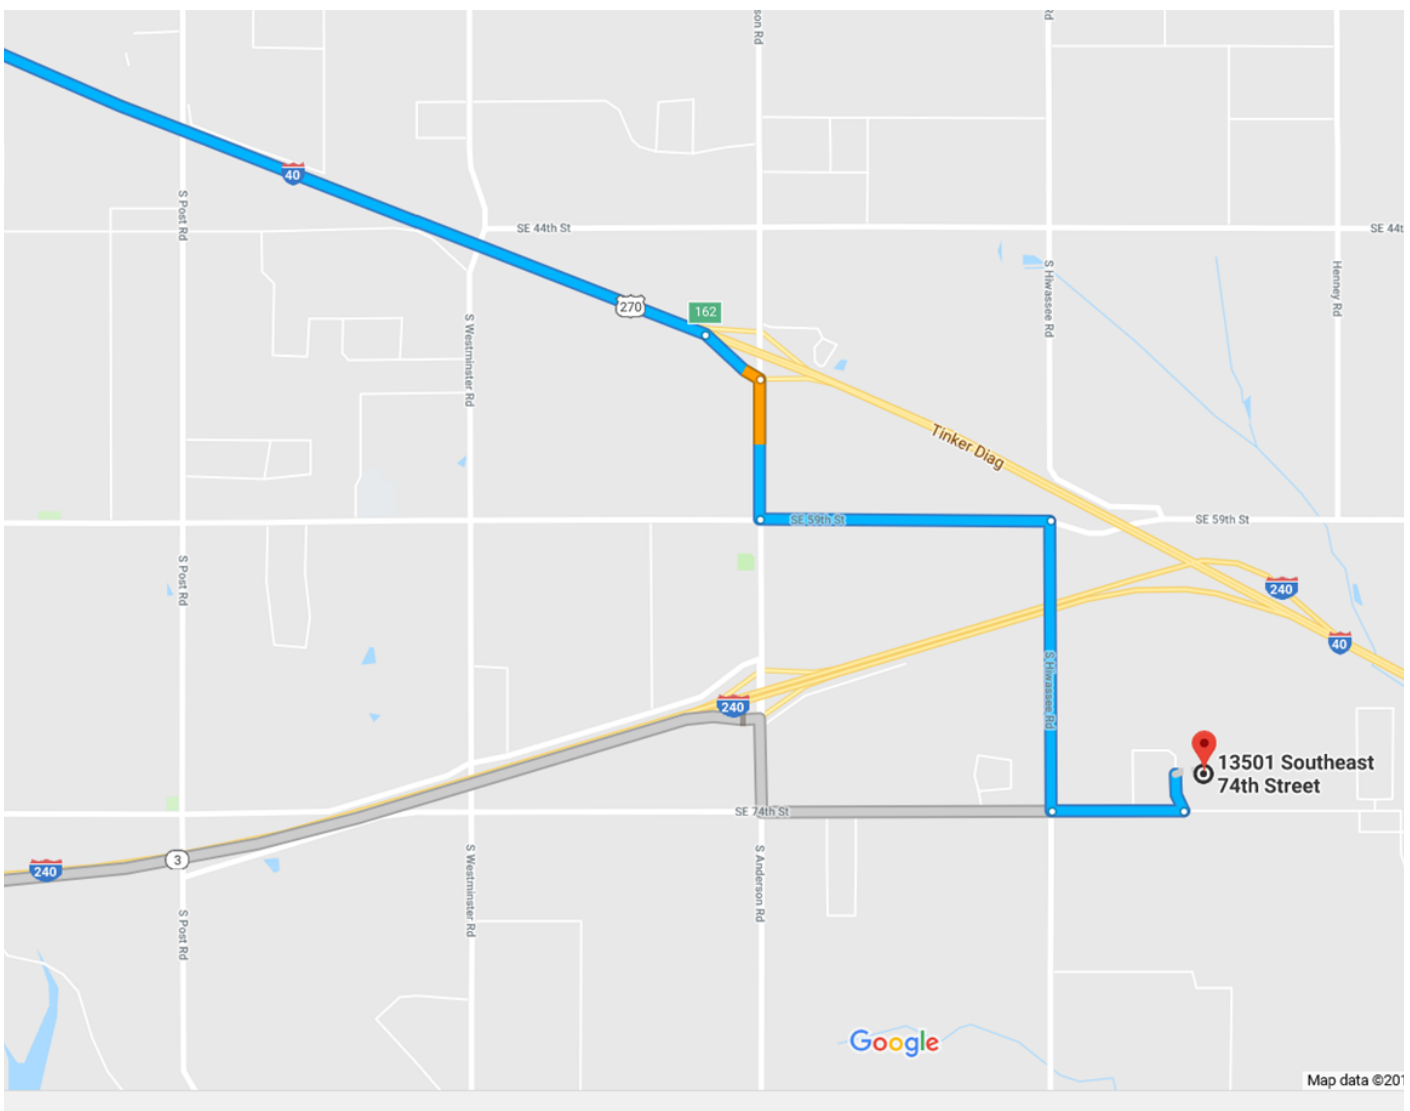

Well this is the car we were going to be taking to the Nationals this year our 1966 Corsa Convertible. This would have been fun to drive along the California coast. Well Maybe next year.... This is a throw back picture of one of our many trips to Texas and the wine country, we had a blast at that winery tasting all the delicious varieties that they had. Richards first trip to a winery and lets just say it has not been his last. We ladies know where the fun spots are...

We have a monthly meeting this Saturday at 10AM at the Ergenbright's Ranch. We will hold it outside if weather permits so be sure to bring your chairs, masks and sanitizer if you have some. If we need to have it inside we need to practice safe spacing and wear our mask, hope to see you all there.
