## THE PREZ SEZ

September, 2017

Calling all Cars, Calling all Cars,

It is that time to drive them, push them or pull them to Oklahoma City for the Great Plains Roundup September 29<sup>th</sup> and 30<sup>th</sup>. Our continued goal for this roundup is to have "100 Corvairs in the 405". So what does that mean to you? The Great Plains Roundup is less than 30 days away. One goal of the Oklahoma City Club is to make history for all attendees by having 100 Corvairs in Oklahoma City. We have been making plans for members from all the surrounding clubs to come be a part of such a huge goal, 100 Corvairs at the Embassy Suites Hotel. I'm asking that you bring everything you own. If it is still under construction, that just fine. There is a place for them too. So make sure and set your watches for Oklahoma City time. That means we need everyone to come to OKC for a fun packed weekend of "Firsts".

That we know of there is not a time in history that 100 Corvairs have been in Oklahoma City at one time. Well, it is time for that to happen; thus we need everyone's help to make a historical event. Another first, there are 60 plus people that will be taking a ride down the Oklahoma River and through the locks. What an exciting time that will be. We have entertainment planned that is over the top. Extra security to ensure an extra safe weekend is on tap. Then to top it off, we have invited the Governor of Oklahoma to come for the car show and to choose her favorite Corvair in Oklahoma City. What a line-up of events and there is still more to come. So come be a part of this historic event.

So, as you are planning your weekend, there are places that you can help. You can make a difference by making this an event for everyone to enjoy. Volunteer! Yes we need some more volunteers. Ask Bill or myself where you can be connected. Bill is really the one that has the roundup pulse and can get you connected but I will help too. It is a proven fact every person can make a difference so don't be afraid to volunteer. We need you!

So for now find some curvy roads and keep it between the lines. Drive safe, be safe!

## **August COCA Meeting Minutes**

The August meeting of COCA was held at Swadley's Bar-B-Que at 7:00 PM on the 10th of August 2017. President Ergenbright called the meeting to order. There were no guests in attendance so he welcomed all the members that had braved the weather to attend. Last month's minutes were reviewed and no changes were made to them. Pat Silver made a motion to accept them as they were and Jim Gailey seconded the motion. The motion passed.

**Randy Dekker Update-** James gave a brief update on Randy Dekker. He recently had his 5th dose of chemotherapy. He is weak and tires very quickly but the cancer is in remission. He has one more treatment to do. James asked that if anyone could call Randy and Gail to do so and just let them know we are thinking about them.

**Treasurer's Report-** Treasurer Ken Drye passed out the monthly report on the club's financial state. Bill Ashlock made the motion to accept the report and it was seconded by Pat Silver. The motion carried.

**Old Business-** There was no old business to discuss.

**New Business-** The trip to Rush Springs is scheduled for August 12th. There was a discussion on whether the club would attend because of the weather. The consensus was that it would be a last minute decision. Members wanting to attend would leave their phone numbers so they could be contacted. The plan is to meet at the Newcastle Braums at 9:00AM and convoy to Rush Springs from there. Eldon stated that the entry fee for the car show is \$20.00 per vehicle and all the money goes to the Rush Springs fire department. So that is a very worthy donation.

James told of a recent trip to Jones, Oklahoma for a car show. He said it is a very nice show and that Jones really caters to the participants. It is held on Main Street and everyone is welcome to come and look or enter their vehicle. The next show will be August 19th and the last show will be September 16th. It may be a really nice road trip.

The club has been in touch with the Tulsa club to reschedule our road trip to Stillwater, but the dates that were offered are during football season and it was

decided by the membership it would be too crowded and busy. James is not a football guy. (Who knew??) We will look at other dates, and possibly other venues as well.

Pat Silver says in a couple of weeks that he will be enlisting help to work on Delia's car down at his garage in Blanchard. Have we heard this before?

**Round Up-** James pointed out in the August issue of the newsletter that we had a Round up itinerary listed. He asked that everyone check it to see if corrections were needed and to find out where the members fit in and when they need to be present. It will be "tweaked" as the time gets closer for the event. James also had in hand the \$1,000,000.00 liability policies from CORSA. These are provided at no charge to the club through the club's affiliation with CORSA. He urged that if a member was not a member of CORSA to give serious consideration to joining the organization. Bill Ashlock gave the club an update on the figures for the Round up. Things have improved considerably since last month. Every event has seen an improvement in participation. We have passed the break even point so we will not incur any out of pocket expenses. He gave the breakdown on the various clubs and their registrations. We lead the pack but with only 14 of our club members signed up. We need to have a bigger presence at our own event. He also urged everyone to continue gathering items for the welcome bags. Jim Gailey talked about the tee shirts and passed around a sheet for people to sign and give the number and sizes wanted for the green volunteer shirts. He would like to get that order submitted soon to ensure we have them by the event date. David Castiaux once again passed the bucket around for money to buy welcome bag goodies and raffle items. He collected another \$55.00 this month. Thank you club members.

**Door Prizes-** Tickets were sold and the winners selected their prizes. "Popeye" Justin came up with a very nice can of spinach. Pat Silver made a motion to adjourn and that was seconded by Debbie Nels. The meeting was adjourned.
